Alexandra-

Thanks for the update. I was tied up in a Board meeting last week. Glad you had a chance to meet with Joel. We've worked together on a number of efforts over the years. Did he brief you on the Alternatives Assessment Association that we are trying to launch together? If not, I'd be happy to discuss this with you. We are proceeding with our plans to hold a PFAS science conference in the region and would welcome an opportunity to discuss this with you and your staff. Hope to see you soon.

Terri
